We've made ordering lunch for this festival a breeze. The north-shore is full of Fabulous restaurants but these four really take the arts community seriously.

1. **Opus** 978-744-9600 **MENU** We recommend the Miso Orange glazed Salmon and the Kobe Sushi roll. Please take a moment to check out OPUS's menu. Vegan and vegetarian options available. \*\* Insane Cocktail

**Delicious food every member of the family will enjoy**

menu.

2. **Hop & Grind** [978-817-7387](tel:978-817-7387) [MENU](#) We recommend the karate pig and the Morning glory bowl. Drool over the Mac bowl and artisan burgers but make sure to check out the meatless burgers and bowls. \*\*Killer beer list.
3. **Rev Kitchen and Bar** [978-998-4950](tel:978-998-4950) [MENU](#) We recommend any of the Togo family meals and the Crazy bread. Rev caters to so many dietary restrictions. Pizzas are killer and the family style meals will win everyone over . \*\*Check out the fabulous drink menu
4. **Uncommon Feasts** [781-592-5500](tel:781-592-5500) [MENU](#) We recommend the Crispy Baby back ribs and the Lobster Fettuccini. Phil and I are In love with food that comes out of this kitchen. Everything is cooked with heart and soul. Sustainable food sourced responsibly and packed with flavor. \*\*Wine list and beer list are killer.

We hope you enjoy the festival and be sure to order from one of thees four restaurants. Lets continue to support the arts community and Small business.

Cheers!
